Mr. Sheldon Hammond  
District Extension Director  
1109 Experiment Street  
Flynt Building Room 227  
Griffin, GA 30223-1731

Dear Mr. Hammond:

It is with great pleasure I would like to submit my resume for consideration as the Henry County 4-H Agent per the opening listed on the state Extension website. Throughout my life I have been actively involved in Georgia 4-H in many different roles. I started out as an active member, participating in almost every event, and grew to be an enthusiastic and passionate adult volunteer. My knowledge of both Georgia 4-H and Extension are extensive, and my passion for both organizations is unmatched.

My experiences in Extension and 4-H are numerous, however, perhaps my experience that proves me to be the most qualified for this position is my internship with Walker County 4-H. Through my internship, I worked very closely with Mrs. Casey Hobbs, Walker County 4-H Agent, to learn just what it takes to serve as an effective Extension employee. I was able to practice the dedication, time commitment, organization, communication, and youth development skills that are so vital to being an effective 4-H Agent. Perhaps another characteristic that sets me apart from other candidates for this position is my passion for children. Having served as a camp counselor at Rock Eagle 4-H Center for two summers, I believe there is no greater benefit in a job than having made an impact in the life of a child. Between serving as a camp counselor and teaching a variety of 4-H lessons in elementary school settings during my internship, I feel confident I have the skills to connect with youth across the state to help 4-H continue to blossom.

I feel very strongly that I can serve as a great asset to your program, and I greatly appreciate you taking the time to consider my application. If you have any further questions or concerns, I would be happy to address them. Thank you for your time and consideration, and I look forward to hearing from you in the future.

Sincerely,
